Thanks Yves, on a related not, it just struck me of someone you may want to be aware of in your jurisdiction. The individual is very active on social media and a vocal critic of Gov't - however has a tendency to use falsities, malicious allegations, and misinformation to further her cause.

She has actually caused some stress for my family and I by posting pictures of me, and others of our 5yr old son. For some reason she has taken the shooting incident here up as her personal crusade. She of course lacks any facts or objective reasoning.

You can twitter search the following to get a sense of what I am referring to:

#dondunphy, #justice4don, #killed4atweet, #joesmyth, Sgt Joe E Smyth

Just an FYI in case the group causes concern for your principal.

Hey Joe,
Thank you very much for the OPP contacts.

Sorry to hear that you had to go thru such a traumatic incident. It just shows the intricate dangers that we are exposed to. Take care of yourself and all the best to you and your family.

Be safe, brother!

Hi Yves, didn't want to get into it on the phone, but I was unfortunately involved in a shooting last spring and have been away from the protective detail ever since - pending completion of the investigation. Feel free to call anytime however with anything you may need. Some below OPP contacts and also Huberts email.

Best Regards

Joe
